RE: Letter of Recommendation for Mr. Kahlan Shaikh

It is my pleasure to recommend Mr. Kahlan Shaikh, who was employed by ENERJ SMART LIMITED as our **Online Business & Marketplace Manager** from **15th December 2025 to 30th June 2026**.

During his time with us, Kahlan was responsible for managing and supporting our online sales operations across the ENER-J and BRITWALL brands. His responsibilities included marketplace management, website administration, product listing optimisation, digital marketing support, coordination with internal teams, and assisting with the growth of our online business across multiple sales channels.

Kahlan demonstrated a professional attitude towards his work and was willing to take on new responsibilities as the business evolved. He worked with various marketplaces, assisted in improving product listings, coordinated with different departments, and contributed to the day-to-day management of our e-commerce operations.

He maintained good working relationships with colleagues and approached his responsibilities with dedication and a positive attitude. Throughout his employment, he showed a willingness to learn new systems and adapt to changing business requirements.

Kahlan has now left the company to pursue new career opportunities, and we sincerely thank him for his contribution during his time with ENERJ SMART LIMITED.

We wish him every success in his future career and have no hesitation in recommending him for suitable opportunities where his experience in e-commerce, online marketplaces, and digital business management can be further developed.

Should you require any additional information, please feel free to contact us.

Yours faithfully,

Jitendra Sakhrani

Director
